

## Helping educational institutions become compliant and remain compliant.

- PROMOTING STAFF AND STUDENT ENGAGEMENT
- ENGAGING E-LEARNING TOOLS
- RECORD/POLICY MANAGEMENT
- CYBER SECURITY FOR EDUCATIONAL INSTITUTIONS
- PROTECTING YOUR STAFF AND STUDENTS

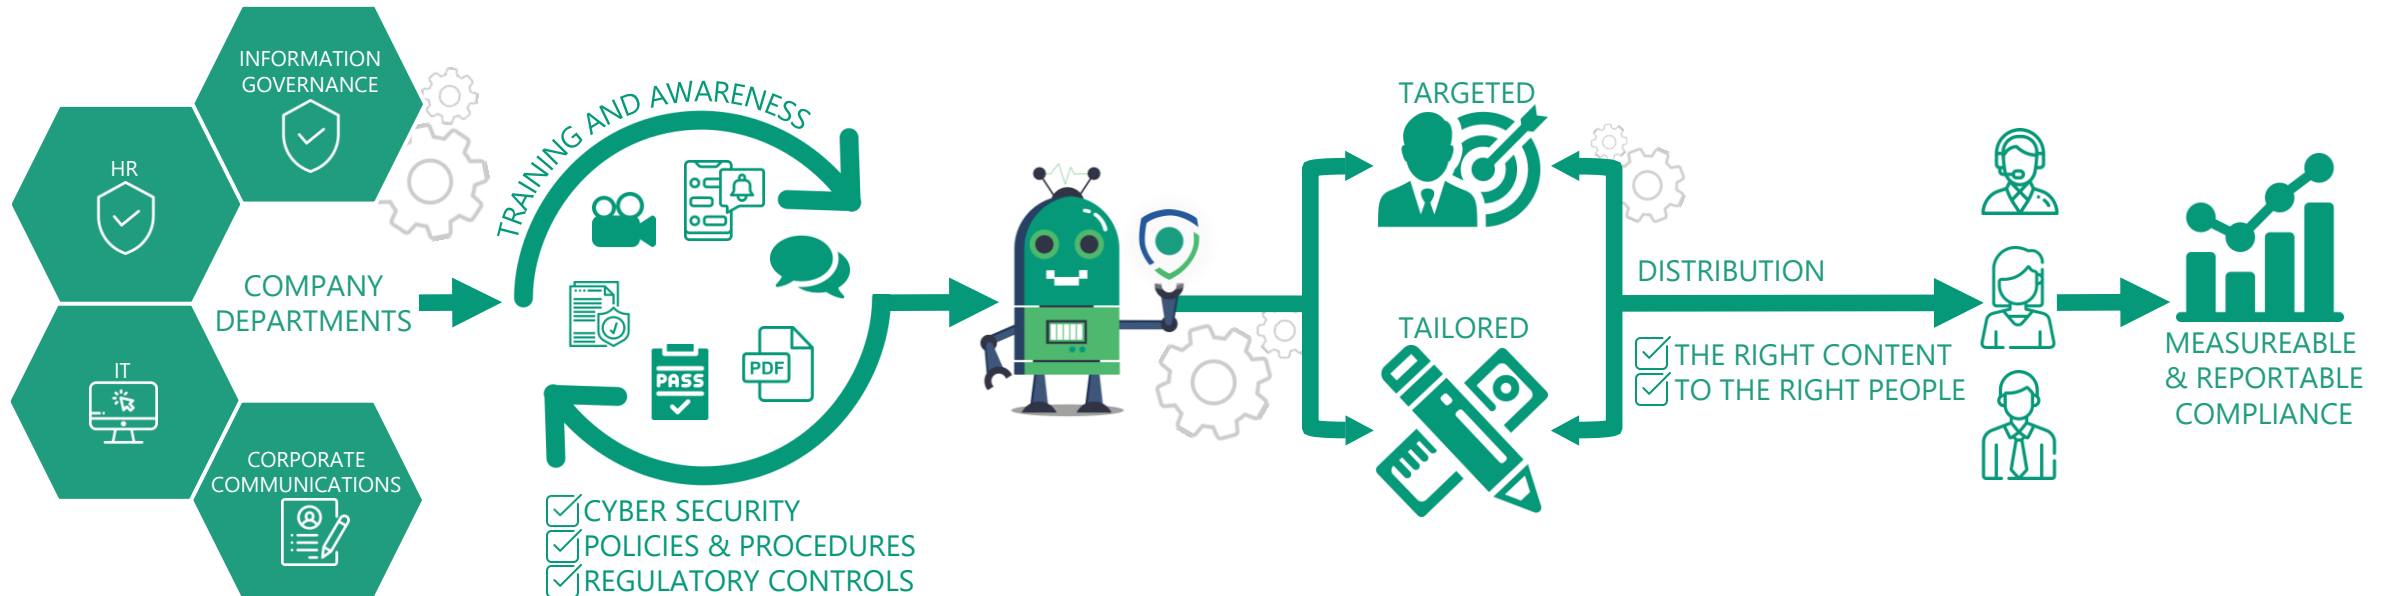

We understand the **challenges** you face when it comes to complying with relevant **regulations** and engaging your staff with your training and awareness modules.

That's why we've developed NETconsent, a software solution which helps **change your staff and student behaviours** to **mitigate the risk of compliance failure**.

Our **all-encompassing compliance solution** helps your educational institution manage your company policies and procedures, deliver training to comply with **regulations** and educate your teams on things like **cyber security and data protection**.

Our **enforcement technologies** make us unique. They enable us to **guarantee 100% participation** of your **training and awareness** modules – giving you peace of mind.
